

# SOLAR SC

## RAFFLE TICKET INFORMATION

### ***Basic Information:***

Solar requires all Select players to participate in this Club fundraiser. In addition to providing the Club with \$150 in revenue per player, this fundraiser provides players with a way to raise money to cover their dues. Any funds collected from selling tickets beyond the \$150 minimum, will be applied to the selling player's dues. Enclosed you will find the raffle tickets for your team. You should have included \$150 in their team dues to cover these tickets and we recommend you earmark this money so it is available when the Club bills you for it in the Fall.

### ***Raffle Ticket Distribution:***

You are responsible to give out the correct number of tickets. Each player should receive three \$25 tickets, and fifteen \$5 tickets which equals \$150. I will provide each team has extra tickets that can be given to the go-getters who want to sell more. Please let players know they can come to you for additional tickets. If your team sells out and you would like more, please contact me to get more tickets.

### ***Selling Tickets:***

Players are encouraged to reach out to family and friend when selling their raffle tickets. The tickets can be sold for face value or reduced for bulk sales. For instance, you can offer five \$5 tickets for \$20 or five \$25 tickets for \$100.

When someone purchases a ticket, they complete the information on the stub at the top of the ticket and tear it off. This stub and the cost of the ticket should be collected by the player. The bottom portion of the ticket should be kept by the purchaser to be used to claim their prize if they win.

Some players may not want to sell their tickets. If they choose not to sell them or only sell some of them, they are welcome to complete the stub of the unsold raffle tickets with their own information and participate in the raffle drawing.

### ***Stub and Money Collections:***

In September, you will be contacted to collect the stubs and money. You will be sent instructions on how to turn in your team's raffle stubs so they can be included for the drawing. I will set up a few different times and locations to drop the ticket stubs off to me once the tickets are due. There will be a FIRM deadline for collecting these ticket stubs.

When your players are finished selling, they have the following options:

1. If they have paid ALL their dues upfront, they can keep any money they collected in sales. This is like a reimbursement of their dues.
2. If they still owe part of their dues, the money they collect should be turned in to you and applied to their account.

**Prizes:**

The drawing will take place in October and the winners will be contacted using the information provided on the ticket stub. I will also send out an email announcing the winners. Below is a summary of the prizes:
